### **Missing/Late players**

If a player does not show up to their game within 10 minutes of lobbies being posted a suitable replacement will be found from the players that have previously registered or the highest scoring player that was previously eliminated.

If no substitute can be found, admins may add a dummy account to the lobby to complete the lobby so they may start. This will be used as a last resort and team captains must wait to be given the go ahead from an admin or event staff.

If a lobby is missing a player the team captain must notify staff as soon as possible. Players that leave midway through a tournament may be excluded from participating in future OCE TFT tournaments.

### **Game remakes**

All players must continue to play the match until advised otherwise by a tournament administrator. Do not leave your game if told by another player, **ALWAYS** check Discord first.

If a player wishes to call for a rematch in the event of a bug, glitch, server lag or any other event that has affected gameplay. That player must contact a tournament administrator immediately to determine the proper response.

### **Disconnections**

If a player disconnects from a game prior to Round 2-4, the disconnected player can request a remake. The disconnected player must immediately notify the tournament administrators as soon as the disconnect occurs. No more than one remake request per player will be accepted throughout the tournament.

All remake requests are decided at the discretion of the Tournament Administrators. In the event that a disconnect occurs after the start of Round 2-4 the game will not remake and continue as normal.

If a player requests a game restart, they will be expected to provide tournament administrators with evidence of the disconnect. It is up to the discretion of tournament administrators to decide if a game will restart. Penalties may apply if they determine that the restart was requested in error or if the disconnect is found to have been intentional.

### **Rule Disputes**

The administration team has final, binding authority to decide all disputes with respect to any portion of these rules, including the breach, enforcement, and interpretation thereof.
